

Basic Detail Report

Title: MOTHER AND CHILD #1

Medium: Etching

Description: Full-length view of a seated woman nursing a child at her breast. She is turned slightly to the left. Her right foot is on a stool and her right arm is around the baby, who lies on a pillow in her lap. A vase stands on a shelf near the window, which is in the upper left corner of the plate. Dark impression.

Dimensions: Overall: 15.2 x 10.2 cm (6 x 4")
