

Basic Detail Report

Title: SHADOWS

Date: 1993

Medium: Lithograph

Description: The work shows a series of five circles inside which are silhouettes of hand shadow puppets and images of the hands forming the silhouettes. The shapes they resemble are, from the top: a bird with outstretched wings, a chicken head, a horse head, a rabbit, and a dog head. Coming from the left edge of the work are diagonal lines which meet the circles as if they were spotlights with the beam of light visible.

Dimensions: 35 1/2 X 23 3/16 inches
