

A detailed charcoal or pencil portrait of an elderly man. The man has a somber expression, with his eyes looking slightly to the right. His face is heavily wrinkled, particularly around the eyes and on the forehead. He has a thin mustache above his closed lips. The hair is dark and receding at the temples. The drawing is set against a plain, light-colored background. In the bottom right corner, there is a faint, handwritten signature that appears to read "J. H. Jackson".
