Title: EARLY SUN

Date: c.1955

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@fb33

Medium: Oil on canvas

Description: A horizontal painting of sailboats docked during sunrise. The majority of the image is water, composed of various blues and greens. To the right a boat floats in the foreground. More sailboats can be seen in the background of the work, namely in the UL and UR corners. The sun peeks through a cloudy sky in the distance, near the upper edge of the canvas. Orange/reddish highlights are used throughout, especially on the sailboats.

Dimensions: Overall: 87.6 × 103.5 cm (34 1/2 × 40 3/4")
