

Basic Detail Report

Title: UNTITLED

Date: 1982

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@101d3

Medium: Watercolor

Description: The image is a winter landscape with a snow cover road, ruts exposing ground below, that begins in the lower left foreground and extends into the background just left of center before turning left out of sight; winter grasses and the stems of bare shrubbery edge both sides of the road with a body of ice covered water filling the right middle ground. In the background a hillside covered in light snow rises from the right, where a small sliver of sky can be seen, to the left.

Dimensions: Overall: 38.6 x 51.3 cm (15 3/16 x 20 3/16")
