Title: HORSE AND BUGGY DAYS - A DOWN HILL PULL

Date: c.1936

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@10453

Medium: Wood engraving

Basic Detail Report

Description: The image is a landscape which is dominated by a steep foliage-covered hill, at the top of which is a tree is placed, that fills the left side of the composition; descending the hill is a wagon driven by a male figure and pulled by a horse. Branches have been placed through the wheels to slow the decent of the wagon. On the right side of the composition a valley floor can be seen with a town in the distance.

Dimensions: 16.7×14.8 cm ($6 \frac{9}{16} \times 5 \frac{13}{16}$ ") (Image) Overall (Sheet): 23.8×20 cm ($9 \frac{3}{8} \times 7 \frac{7}{8}$ ")
