Title: EVENING LANDSCAPE; FROM HELLEBAEK

Date: 1881

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@135f1

Medium: Etching

Description: The image is an etching of a seaside landscape. At the far left, a thatched-roof house with two simple windows occupies the foreground. The muddy road at the right leads away towards the water in the horizon. There are a few trees in a fenced area beyond the house to the left of the road. A flock of birds fly over the water and the sky is streaked with clouds.
